Direct Deposit

To set up a direct deposit with your employer, provide your account information along with the amount of each paycheque you would like deposited into your Wealthsimple. You can select either 'Chequing' or 'Savings'. Either one works.

Pre-Authorized Debit (PAD)

Pre-Authorized Debit (PAD) is a great way for you to save time with bill payments, and may help you avoid late fees. To set up a PAD provide your account information from the fields above to the company you want to set up pre-authorized debits with.
